

EASTON ELEMENTARY IS PROUD TO BE A TITLE I SCHOOL

Important Information for Parents

Attached you will find 3 very important documents created by parents and staff that reflect our commitment to providing our children with a high quality education in a welcoming and safe environment.

1. School/Family/Student Compact

Please review and sign with your child, and return to school as soon as possible. You will notice this year that we are asking only 3 things of each parent/guardian – **get to know your child's teacher, talk to your child about his or her school day and get your child to bed on time.**

Research shows that these 3 simple things can have a big impact on your child's success!

2. Parent Involvement Plan

This plan was developed by parents to reflect our commitment to parent involvement at Easton Elementary school. Please review carefully – there are many ways for parents to get involved here at EES, and your participation is ALWAYS welcome.

3. Parent Involvement Funds – Spending Plan

By law, 1% of a school's total Title I allocation is set aside for spending on Parent Involvement activities. A proposed budget for this year's funding is attached. Your comments and suggestions are welcome. Please use the form on the reverse to submit comments.

Under Title I of the No Child Left Behind Act, Easton Elementary School receives additional funding to support student achievement. At EES, these Title I funds provide:

- Reading specialists
- Math specialists
- Small group instruction
- Parent resource materials and other family supports

An optional comment sheet is provided on the back of this form, please feel free to complete and return with your feedback.
