

WHITE MARSH ELEMENTARY IS PROUD TO BE A TITLE I SCHOOL

Important Information for Parents

Under Section 1116 of the Every Student Succeeds Act (ESSA), White Marsh Elementary School receives additional funding to support student achievement. At WMES, these Title I funds provide:

- Small group instruction in reading and math
- Interpretation and translation when needed
- Parent resource materials and other family supports

Attached you will find 3 very important documents created by parents and staff that reflect our commitment to providing our children with a high-quality education in a welcoming and safe environment.

1. School-Parent Compact

Please review and sign with your child, and return to school This document outlines the ways in which we all share responsibility for our children's achievement.

2. Parent and Family Engagement Plan

This plan was developed by parents to reflect our commitment to parent and family engagement at White Marsh Elementary School. Please review carefully – there are many ways for parents to get involved here at WMES, and your participation is ALWAYS welcome. Parents may take a copy to keep at home.

3. Parent and Family Engagement Funds – Spending Plan

By law, 1% of a school's total Title I allocation is set aside for spending on Parent and Family Engagement activities. A proposed budget for this year's funding is attached. Your comments and suggestions are welcome. Please use the form on the reverse to submit comments.

An optional comment sheet is provided on the back of this form, please feel free to complete and return with your feedback.
