SALE OR USE OF TOBACCO ON SCHOOL PREMISES

The Talbot County Board of Education believes that one of the most serious health risks occurring in school is that which results from use or contact with tobacco and tobacco by-products. Therefore, in order to ensure a more healthful school environment, the Board of Education prohibits the sale or use of tobacco or tobacco products in Talbot County Public Schools in accordance with Maryland State Board of Education Regulations established within COMAR 13A.02.04.
