

WHITE MARSH ELEMENTARY IS PROUD TO BE A TITLE I SCHOOL

Important Information for Parents

Attached you will find 3 very important documents created by parents and staff that reflect our commitment to providing our children and families with a high quality education in a welcoming and safe environment.

1. School/Family/Student Compact

Please review and sign with your child, and return to school as soon as possible. The compact is a very important way for us to demonstrate our commitment to working together as parents, students and educators towards your child's academic and behavioral success.

2. Parent Involvement Plan

This plan was developed by parents to reflect our commitment to parent involvement at White Marsh Elementary school. Please review carefully – there are many ways for parents to get involved here at WMES, and your participation is ALWAYS welcome.

3. Parent Involvement Spending Plan

This plan was developed based on parent and staff input. By law, WMES is required to set aside 1% of our Title I allocation to provide materials and information to support children's academic achievement at home. Please review the plan carefully, and share any ideas with us!

Under Title I of the No Child Left Behind Act, White Marsh Elementary School receives additional funding to support student achievement. At WMES, these Title I funds provide:

- Reading/Math Interventionist
- Small group instruction
- Parent resource materials and other family supports
