

Elementary School, we provide parents and families to be involved in their child(ren)'s education. In addition to individual face-to-face meetings, we offer convenient for parents services. Our annual meeting covers Title I services, grade level information, Maryland College and Career Readiness. We also work to ensure that parents know how best to communicate about their child's education.

We offer a range of parent and family services throughout the school year when it is convenient. We will offer virtual events and opportunities for parents and families as well.

For your child's education, your participation in the PFE School Improvement Plan, the Parent and Family Engagement Plan and spending of the PFE funds is valued and encouraged. Please contact your child's teacher or Parent Advisory Council for more information.

Community Partners

White Marsh Elementary partners with the following programs to increase parent and family engagement by coordinating and integrating outreach, training opportunities and resources for the school community:

- Critchlow Adkins Center: wrap-around daycare program for ages 3 and up
- Eastern Shore Psychological Services: school-based mental health and wellness services
- CarePacks of Talbot County: food for students on weekends, monthly pantry and summer camp
- Choptank Community Health: wellness center, vision and hearing screening, dental services.

We are also grateful to our many donors who provide backpacks, school supplies, coats and other basic necessities:

White Marsh PTO, Grandparents' Club and many others!

PARENT/GUARDIAN

As a family we will:

- Meet our child(ren)'s teacher(s) and maintain communication via school folders, e-mail, phone call or conference.
- Try to get our child(ren) 7 - 8 hours of sleep each night
- Ask our child(ren) meaningful questions about his or her day at school each and every school day such as "What made you happy at school today? What was challenging at school today? What did you learn at school today?"

STUDENT

As a student, I will:

- Be prepared, organized and ready to learn when I come to school
- Follow the Dolphin Expectations
- Try my best to sleep 7-8 hours each night
- Try my best to come to school every day on time
- Read for fun in my free time in school and at home
- Be mindful of the six pillars of character: respect, trustworthiness, caring, responsibility, citizenship and fairness

PARENT AND FAMILY ENGAGEMENT FUNDS

By law, 1% of Talbot County's budget allocation must be set aside for Parent and Family Engagement activities.

In 2019-20, these funds will be used to pay for the Fall Math Literacy Night.

Parent input on how these funds will be used is vital. To submit your ideas or questions, contact TCPS Family Liaison Emily Moody at 410-326-0550, or e-mail at emoody@talbotcountyschools.org
