Dear Parents/Guardians:

Talbot County Public Schools is committed to providing all children a quality education in a healthy and safe environment. The “No Child Left Behind” Act of 2001, a federal law, gives you the right to ask for and receive information about the professional qualifications of your child’s teacher, including:

- Any college or university degrees or certifications held by the teacher;
- The subject area of the teacher’s degree or certification;
- Whether the teacher is certified by the State of Maryland to teach a particular grade level or subject area;
- Whether the teacher holds a conditional certificate; and
- Whether your child is served by paraprofessionals and, if so, the qualifications of the paraprofessional.

If you would like to receive any information about your child’s classroom teacher, please make the request in writing to your school’s principal. The principal will then provide the information to you in a timely manner, in most cases within thirty (30) business days.

Thank you for supporting your child’s school and Talbot County Public Schools. Your continued interest and support are vital to helping our schools and our students achieve and excel.

Sincerely,

Karen B. Salmon, Ph.D.

Superintendent
