**BOARD - STAFF COMMUNICATIONS**

- I. The Talbot County Board of Education believes that it is important to alternative channels of communication at all times. To that end the Board hereby affirms the following:
  - A. The Board of Education encourages the advice and counsel of the citizens of Talbot County.
  - B. The Board of Education is a representative body of the people of Talbot County and, therefore, encourages public attendance at all open meetings of the Board.
  - C. The Superintendent shall encourage designated staff to cooperate with all general media of communication available. The Board of Education recognizes and appreciates the help of the media in reporting information about the school system to the public
  - D. The Board of Education encourages its President, Superintendent and other designated persons to issue information about official activity for the information of the public.
  - E. The Board of Education further encourages and requests active and timely communication between the Board and staff. It is the intent of the Board to be informed as to the needs and concerns of the staff, especially as they relate to students.
