Dear Class of 2020,

I would like to extend my warmest congratulations on your graduation. I am aware of your hard work and special effort to reach this point and I share this pride with you and your family.

Although this year's graduation looks different, please know how proud our community is of you. I appreciate your flexibility, dedication, and hard work as you transitioned to studying and working from home during this time to complete this milestone. You have faced adversity and have risen to the challenge and I hope that you take these lessons with you in your future endeavors.

As you move forward, I will continue to be one of your supporters and wish you continued success and happiness. I am confident you are well prepared for your chosen path. Again, congratulations Class of 2020!

Best regards,
