Community Partners

St. Michaels Elementary partners with the following programs to increase parent and family engagement by coordinating and integrating outreach, training opportunities and resources for the school community:

- St. Michaels Community Center: after school interest-based programming for SMES students
- SMASH (St. Michaels After School Help): provides funding and structural support for academic intervention for students after school
- For All Seasons and Eastern Shore Psychological Services: school-based mental health and wellness services
- CarePacks of Talbot County: food for students on weekends, monthly pantry and summer camp
- Judy Center: providing support for children and families from birth through age 5.

We are also grateful to our many donors who provide backpacks, school supplies, coats and other basic necessities:

Christ Church, St. Michaels Rotary, SMES Parent Teacher Organization, and many local businesses

PARENT/GUARDIAN

As a family we will:

- Meet our child(ren)'s teacher(s) and maintain communication via school folders, e-mail, phone call or conference.
- Try to get our child(ren) 7 - 8 hours of sleep each night
- Ask our child(ren) meaningful questions about his or her day at school each and every school day such as "What made you happy at school today? What was challenging at school today? What did you learn at school today?"

STUDENT

As a student, I will:

- Be prepared, organized and ready to learn when I come to school
- Follow the STARS rules
- Stay engaged with online learning as best I can
- Try my best to sleep 7-8 hours each night
- Read for fun in my free time in school and at home
- Be mindful of the six pillars of character: respect, trustworthiness, caring, responsibility, citizenship and fairness

PARENT AND FAMILY ENGAGEMENT FUNDS

By law, 1% of Talbot County allocation must be set-aside for Parent and Family Engagement activities.

In 2019-20, these funds were used to pay for parent resources including Fall Parent Night and Wonderland Math and Science Night.

Parent input on how these funds are used is vital. To submit your ideas or comments contact TCPS Family Liaison Emily Moody at 410-326-0550, or e-mail at emood@tcps.edu
