ADMINISTRATION IN POLICY ABSENCE

- I. In the absence of Board policy relating to a specific situation, the Superintendent will use his or her best judgment in arriving at a decision. The decision will be made on the basis of what the policy would be if it existed, based on the spirit and tenor of other existing policy.
- II. When the specific situation is perceived to be of a controversial nature, the Superintendent shall attempt to consult with the Board President, or Vice President when the President is unavailable, before making a decision.
- III. The Superintendent will recommend at a Board meeting whether or not a policy should be written to cover similar incidents in the future.
